

ENOC PROTEC ULTRA PLUS

PRODUCT DESCRIPTION

ENOC PROTEC ULTRA PLUS is specially formulated using latest additive technology and synthetic blend lubricant base oil technology suitable for modern passenger car gasoline & diesel light duty engines exceeding the performance specification API SN as well as meeting the latest ACEA A3/B3 specifications & key OEM requirements. Developed to provide maximum protection for modern passenger cars, including low emission engines and high performance vehicles. It provides comfort in driving and meeting long drain requirements for passenger cars with gasoline/diesel engines. Compatible for all cars running on turbocharger, gasoline direct injection and diesel biofuels.

APPLICATIONS

- ◆ All new passenger cars gasoline and light duty diesel engines.
- ◆ High performance cars normally aspirated and turbocharged engines.
- ◆ Gasoline direct injection engines.
- ◆ Latest model of Japanese, American and European cars.
- ◆ Light commercial gasoline/diesel vehicles

PERFORMANCE STANDARDS

PROTEC ULTRA PLUS meets and exceeds the following International specifications:

Approved API SN

ACEA A3/B3

MB Approval 229.1

Renault RN 0700

Always follow equipment manufacturer's recommendation for required grease performance and re-lubrication periods.

BENEFITS

PROTEC ULTRA PLUS provides:

- ◆ The highest level of engine protection for all manufacturers
- ◆ Extended engine life
- ◆ Superior resistance to oil thickening
- ◆ Excellent protection against wear
- ◆ Low oil consumption and engine deposits
- ◆ Suitable for low emission engines.

Technical Data*	
SAE Grade	10W-40
Oil Viscosity	
mm ² /s @ 40°C	92
mm ² /s @100°C	13.8
Viscosity index	153
Total Base Number	8.5
Flash Point COC, °C	230
Pour Point, °C	-36
Product Code	210029

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the ENOC Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
